Cultural Diplomacy Exchanges - Music, Dance, Film, Hip Hop, Culinary Arts, Poetry, etc.

Project Title	Cultural Diplomacy Exchanges - Music, Dance, Film, Hip Hop, Culinary Arts, Poetry, etc.
Project Summary	Help research and share the stories of international cultural exchanges which further American foreign policy priorities! Assist in live and virtual programming showcasing domestic and international artists and creative entrepreneurs as they share their craft with domestic and foreign audiences.
Country	United States

Project Description

Want to get involved in cultural diplomacy? Interns will assist staff, program partners, participants and management in the Cultural Programs Division together with embassies worldwide to administer cultural exchange programs in the arts, including film, food, fashion, music, writing, and other unique components of American culture.

Specific duties may include strategic engagement, event planning, monitoring and evaluation of cultural programming, alumni outreach and social media, database management, and culture industry research and writing.

Additional Information

This year the worldwide cultural programs, diplomatic engagement environment is more reliant than ever on virtual programs and remote activities.

Check out our cultural exchange programs on our newly updated website at https://bit.ly/2S5dpHO and see more of what we do on Twitter at @CultureAtState.

Please contact John Jenks at JenksJP@state.gov with questions.

Quoting YoYo Ma, 2019 Commencement Address: "Today, everywhere I go—whenever I hear music effortlessly crossing a border or see an example of art transcending economic and political differences or witness scientists from dozens of countries collaborating—I am reminded how essential culture has always been, in every era, every tradition."
